Message from the instructor:

"I am a strong believer in education. I feel that whatever role you decide to take on, you should be well equipped to do your best. As a Notary Public, you have been appointed, as an officer of the state, and you have an obligation to both yourself and the public to know what you are doing. While there is no mandated training for a Texas Notary Public that is no excuse not to learn and follow the laws associated with your appointment."
